¹Priv. Acts 1917, ch. 211, is the current basic charter act for the Town of Oneida, Tennessee. The text of the basic charter act set out herein includes all its amendments through the 2010 session of the Tennessee General Assembly. Sections of the charter which have been amended contain at the end of those sections the citation to the official private act or acts constituting the amendment or amendments. Some amendments to the charter do not expressly amend any specific sections of the charter. Some of these have been incorporated in existing sections of the charter when there was no questions as to their effect. The others have been included by the compiler as unofficial sections (see §§ 12A and 19A) or incorporated in footnotes to sections containing related provisions (see the footnotes to §§ 10, 11, 12, and 15). No other changes have been made to the charter except the addition of a table of contents to facilitate its use. A list of all the private acts including the basic charter appears at the end of the charter.

Acts of a temporary nature with no general or continuing application, such as bond authorization and validation acts have not been included in this compilation.

It shall be the duty of all persons exercising privileges within the corporate limits of said town to pay promptly to the Recorder on the day said taxes are due. If said taxes are not paid to the Recorder within five days from the due date thereof, it shall be the duty of the Recorder to issue a distress warrant for the collection of said taxes, and place the same in the hands of the chief of police, or any constable of Scott County, or the sheriff and it is hereby made the duty of the officer into whose hands such distress warrant may come, to levy the same upon the property of the delinquent tax payers, and to make sale of such property in the same manner provided for execution sales at law, and to make return of said distress warrant to the Recorder within thirty days from the date of its issue. The Recorder is authorized when necessary, to issue alias distress warrants, and upon the return of the officer showing a levy of a distress warrant and in sufficient time in which to advertise and sell the property, to issue to such officer an order of sale. Upon the failure of the taxpayer to pay the privilege taxes levied against him as herein provided, a penalty of 10% shall be added thereto, and the distress warrant issued by the Recorder shall include said penalty. Additional penalties may be provided for by an ordinance in all cases where privilege taxes remain delinquent for more than thirty days. The officer executing the distress warrant shall be entitled to the same fees provided by law in execution sales. The privilege taxes levied upon merchants, and which are to be determined as provided by Chapter 134 of the Public Acts, of the General Assembly of 1919, or any subsequent general law shall become due and payable as provided by ordinance. In the event no ordinance is passed by the Board of Mayor and Aldermen, merchants privilege taxes levied by the Town of Oneida shall be determined in the same manner provided by the general law of the State, except that the assessment for the purpose of said privilege taxes shall be made by the Recorder of the town. In order to enable the Recorder to properly assess merchants for the purpose of privilege taxes, it is hereby made the duty of the County Court Clerk of Scott County, upon demand of the Recorder, to furnish full information in regard to the assessments made by said Clerk upon the merchants within the corporate limits for the purposes of County and State taxation, and all merchants within the corporate limits are required to file with the Recorder, copies of the schedules and inventories required by the County Court Clerk, and in the event there are no such inventories filed with the County Court Clerk, then such inventories as may be provided by ordinance shall be filed. Any merchant who has complied with the requirements of the law, and of the ordinances of said town, and who is dissatisfied with the assessment, made by the Recorder, may appeal to the Board of Mayor and Aldermen for the correction of the assessment. The Board of Mayor and Aldermen is hereby given power to affirm, modify, or correct said assessment, and the action of said Board of Mayor and Aldermen shall be final. The Town of Oneida may by ordinance require merchants to execute to the town bonds with good and solvent surety thereon conditioned to

pay all privilege taxes levied against them when due. [As replaced by Priv. Acts 1921, ch. 552, § 3, and amended by Priv. Acts 1995, ch. 36, § 8]

Sec. 16. Be it further enacted, that the Mayor shall be the chief executive officer of the town. He shall be the presiding officer of the Board of Mayor and Aldermen. One (1) member of the board shall by the board be elected Mayor Pro-Tem, who shall preside and discharge all the duties of Mayor during the absence or incompetency of the Mayor. The Mayor shall make periodic reports to the Board on the financial condition of the town and on any deficiencies or inefficiencies in its operations. [As replaced by Priv. Acts 1995, ch. 36, § 9]

Sec. 17.¹ The Board of Mayor and Aldermen are authorized and empowered to employ any attorney or attorneys necessary to the safeguarding and protection of the interests of said Town of Oneida and to contract with them for their professional services, which shall be paid as any other expenses of said Town of Oneida. Any breach of their duty as herein provided shall render them liable for removal from office. The Recorder and Treasurer of said town shall keep a correct minute of all the transactions of said Board of Mayor and Aldermen, shall transcribe the same upon any appropriate journal for that purpose, keeping the actual date of each transaction as it occurs and as provided by resolution of said Board, and shall do all other duties, clerical and otherwise, as may be imposed upon him by resolution of said Board of Mayor and Aldermen. In addition, he will collect all taxes of every kind and character due the said Town of Oneida, and shall keep a correct record thereof, showing the date paid, the amounts, and by whom paid, and shall perform such other duties incident thereto as may be fixed by resolution of said Board of Mayor and Aldermen. When ad valorem taxes become delinquent, a certified list of the same shall be made out by him and turned over to the chief of police of said town for collection, as other delinquent taxes.

¹Priv. Acts 1995, ch. 36, § 14 stated to amend § 18 of the charter by deleting the words "Marshal" or "town Marshal" in that section and substituting the words "chief of police". However, § 18 contains no reference to "Marshal" or "town Marshal." This section does contain references to those words but has not been changed because the private act didn't amend this specific section.

¹He is authorized and empowered to employ any attorney or attorneys necessary to the safeguarding and protection of the interests of said town of Oneida and to contract with them for their professional services, which shall be paid as other expenses of said town of Oneida. Any breach of his duty as herein provided shall render him liable for removal from office by a two-thirds vote of said Board of Aldermen.² The Recorder and Treasurer of said town shall keep a correct minute of all the transactions of said Board of Aldermen, shall transcribe the same upon any appropriate journal for that purpose, keeping the actual date of each transaction as it occurs, and as provided by resolution of said Board, and shall do all other duties, clerical and otherwise, as may be imposed upon him by resolution of said Board of Mayor and Aldermen. When ad valorem taxes become delinquent, a certified list of the same shall be made out by him and turned over to the town Marshal of said town for collection, as other delinquent taxes.

The Board of Mayor and Aldermen may by ordinance, provide penalties upon ad valorem taxes when same shall have become delinquent, such ordinance, however, shall be passed before the date fixed as the delinquent date. The certified list of delinquent taxes delivered by the Recorder to the town marshal as hereinbefore provided, shall have the force and effect of an execution at law, and the same fee shall be allowed the marshal for collecting said taxes which is allowed to sheriffs upon execution.

Said Recorder and Treasurer shall hold the municipal Court for said town of Oneida and shall have full power to impose all fines; penalties and imprisonments under all ordinances as provided for in this charter, and as passed by ordinance of said Board of Mayor and Aldermen, and to this end he shall keep a correct minute thereof, showing the name of the person accused, the offense for which he is charged and the disposition of said cause. He is vested with full power upon the complaint of said town Marshal, or any other citizen under oath, to issue a municipal warrant for any person or persons charged with the violation of said ordinances of the town of Oneida, and to impose such penalty as in his judgment is deemed advisable and necessary within the limitations of this charter, and as fixed by ordinance.

¹Priv. Acts 1995, ch. 36, §§ 10 and 11 deleted the first two paragraphs of § 17 and replaced them with the above paragraph. However, because of this amendment paragraphs 1 and 2 of this section are very similar in content.

[As amended by Priv. Acts 1921, ch. 552, § 4; Priv. Acts 1923, ch. 562; and Priv. Acts 1995, ch. 36, §§ 10-13]

As soon as practicable after the assessment books are completed, by the County Court Clerk of Scott County, it shall be the duty of said County Court Clerk, from the said assessment books in his possession, to make out and deliver to the Recorder of the Town of Oneida a tax book such as is required by law to be made out by him for the Trustee of the County, embracing therein, however, only such property and such persons as are liable for taxes to the said town. Such tax books shall be furnished to the County Court Clerk by the Town of Oneida, and shall be returned by him properly made out as above provided, not later than the first day of October of the year for which said property is assessed. After the expiration of sixty days from the date said delinquent list is delivered to said town marshal, it shall be the duty of the Mayor of said town to cause suits to be brought against all delinquent tax payers owning real estate, for the purpose of subjecting said real estate to the payment of said taxes, provided, however that the Board of Mayor and Aldermen may by

proper resolutions, if it shall clearly appear that any such suits would be unprofitable to the said Town of Oneida, direct that such suits be not instituted and provided further that the Board of Mayor and Aldermen shall be authorized to cause suits to be instituted in any case for the collection of taxes, and at any time after said taxes are delinquent if in their judgment it is for the best interest of said town for suits to be brought.
